

**Suspension of Rule 175 to take up a motion under Rule 146
for consideration**

Mr. DEPUTY SPEAKER.—The hon. Member is permitted to move the motion.

Sri M. NAGAPPA.—Rule 175 will be a bar for taking up this motion. I therefore move:

“That Rule 175 of the Rules of Procedure in the Mysore Legislative Assembly be suspended and the motion relating to the Mysore-Maharashtra Border dispute be taken into consideration.”

Mr. DEPUTY SPEAKER.—The question is:

“That Rule 175 of the Rules of Procedure in the Mysore Legislative Assembly be suspended and the motion relating to the Mysore-Maharashtra Border dispute be taken into consideration.”

HON. MEMBERS.—Yes.

The motion was adopted.

Mr. DEPUTY SPEAKER.—Rule 175 is suspended.

Sri B. P. KADAM.—Sir, may I clarify that the issue which has been raised is not of recent occurrence? It is 13 years old.

Mr. DEPUTY SPEAKER.—I will give the hon. Member a chance and then he can have his full say, but not at this stage.

†**Sri B. P. KADAM (Karwar).**—I will only clarify the position now. Any amount of very angry, vociferous or vituperative words will not help a solution.

Moreover, my friends who are a party to the S. V. D. have accepted a minimum Programme for finding out a solution for all inter-State boundary disputes on democratic principles. If they do not stick to that, the S. V. D. collapses just now and so the recognition of the Leader of the Opposition also must be withdrawn.

Moreover, this is an issue which has been debated earlier. The report of the Mahajan Commission can by no stretch of imagination be taken as an award. What is an award has been defined in the Indian Arbitration Act. So there is no point in generating heat and condemning people who are far away.

Further, there is an adjournment motion standing in the name of the hon. Member Sri Nandihaly on the existing situation in Belgaum and the imposition of Section 35 of the Mysore Police Act and also the lathi charge. Many of our colleagues are still in hospital there. This is a very important matter, but you have not given him chance to move the motion.

Mr. DEPUTY SPEAKER.—The hon. Member may raise it afterwards.
